

## 'FAHD 1' & 'FAHD 2'

Boat Series / Model	Pi Series /  47
Year of Delivery	2015
Owner	Canal Mooring & Lights company (CML)
Building Yard	Canal Naval Constructions company (CNC)
Application	Pilot Boat
Classification	LRS: + 100 A1 SSC Pilot Mono, G3
Hull Material	Aluminium 5083
Length Overall	14.30 m
Beam Overall	4.50 m
Draught	1.30 m
Displacement	15 t (Light ship)
Max. Speed	21 kn @ light load condition
Fuel Capacity	2,000 L
Range (nautical mile)	234 NM @ 18 kn
Main Engine / Model	2x SCANIA / DI13 70M 2x 294 kW / 394 BHP @ 1800 rpm, ICFN rating
Gear Boxes / Model	ZF / 360A
Propulsion/ Steering	2x FPP
Fendering	Rubber D Fender 150 mm
Accommodation	4 Pilots + 3 Crew

## | Pilot and Patrol Boats

The Pi series is a range of pilot boats from 14 to 21 meters. Proven performance, reliability, safety and comfort for the pilots. Also available in patrol boat versions.

Aluminium: Tough, durable, light, easy to repair.

The Pi series is fabricated of classification society certified marine Aluminium sheets and profiles. Aluminium boats have no moulds, so you get the boat you want, not the boat we have. Aluminium is 100% recyclable, an increasingly important issue in a Greener world.

Safety first:

A Pilot is a highly qualified professional. He must arrive at the ship bridge in the right frame of mind to give his best attention to the safety of the vessel. Pilot comfort is not a luxury: it is a Safety of Navigation issue.

Designed by Camarc Ltd., UK.
