Fuel Capacity	2x 400 L
Range (nautical mile)	150 NM @ 40 kn
Main Engine / Model	2x Yamaha outboard
Power (each)	2x 186.5 kW / 250 hp
Fendering	EVA Foam
Accommodation	Two berths with head Carries upto 12 pax

SCORPION | Patrol Boat

The Scorpion is a fast patrol boat interceptor that can be fitted with a gun pit forward. Simple, robust construction and outboard propulsion make it economical to build, and very suitable for remote location with limited maintenance capabilities.

Designed by LOMOcean Ltd., New Zealand.
